

Mick Riley Golf Course
2017
Junior Golf Clinics

Beginning Junior Golf Clinics are designed to teach students the basic fundamentals of golf. These clinics are designed as an entry-level format and no prior experience is necessary, however clinics may also serve as refreshers for junior golfers who have been exposed to some instruction or have played the game before. Junior golfers will receive instruction on the grip, stance, posture, alignment, ball position and other basic skills of striking a golf ball.

Beginning Junior Golf Clinics will be limited to a student/instructor ratio of 8 students to 1 instructor to insure a quality-teaching environment. **Cost is \$50.00.**

Recommended ages of all Junior Golf Clinic attendees is 5-17 years of age but if junior golfers can take direction and handle a club in a safe manner the age limits can be wavered. And while some golf clubs are available for use, **Junior Golf participants are encouraged to bring their own clubs** if they have them.

All Junior Golf sessions are one hour for three days and are taught Monday thru Wednesday with Thursdays reserved as make up days in the event of incimate weather.

Make up days will not be held for any other reasons. Upon completion of a Junior Golf Clinic students will be given a voucher for nine holes on the Par-3 Executive course and two buckets of balls with which to continue their advancement.

Minimum clinic participation is two juniors. If less than two participant's juniors will be moved to another session.
