- Travel
- The first \$25k of sub-contracts

Indirect costs are NOT calculated on the following:

- Amts over \$25k of each sub-contract

We certify that a federally approved negotiated indirect cost rate has never been used by our agency and we elect to use the 10% de minimis rate. We additionally certify that this 10% de minimis rate will be used agency wide for all federal grant awards. *Agency must submit documentation of the above methodology to justify the 10% of modified total direct cost dollar amount.*
