

Grant Request Logic Model Example

Agency Name:
 Program Name:
 Program Purpose:

Amount:

The Need	Resources	Program Plan	Program Outcomes	
			Baseline	Target
<i>What need does the program address? Please describe and quantify.</i>	<i>What resources do you have to implement the program?</i>	<i>What activities do you plan to implement with your resources?</i>	<i>What are the baseline measures from which you will compare the program's outcomes?</i>	<i>What are the target outcomes you expect to achieve from the program over the next 12 months?</i>
