Notice: Process for CoC Planning Project in the FY2018 HUD CoC Competition

I. OVERVIEW

Salt Lake County Government is the Collaborative Applicant for the Salt Lake City and County Continuum of Care funding application. The County will work with the Board to submit an application for CoC Planning dollars as part of the FY2018 HUD CoC Competition.

Only one CoC planning project application may be submitted per CoC per funding year. The project applications for CoC planning must be submitted by the Collaborative Applicant, which must match the organization listed as the Collaborative Applicant in the CoC Applicant Profile in *E-snaps*. HUD is not ranking CoC planning and projects in the FY 2018 CoC Program Competition so **they will not affect a CoC's available amount for new and renewal project applications.**

The amount of planning dollars available to each CoC is 3 percent of FPRN. For the Salt Lake City & County Continuum of Care that amount is **\$214,382.**

II. ELIGIBLE APPLICANTS

Per Federal Regulation ([24 CFR 578.3](#)), only the Collaborative Applicant is eligible to apply for CoC Planning Dollars in the FY2018 Continuum of Care competition.

III. APPLICATION PROCESS

The County will follow the instructions for completing the Planning Application within *E-snaps* per HUD instructional guides and information contained in the [NOFA](#). The County will post its draft *E-snaps* application to its website for Public Comment in advance of the HUD submission deadline.

Federal Regulations ([24 CFR 578.39](#)) outline eligible planning costs including the costs of:

- (1) Developing a communitywide or regionwide process involving the coordination of nonprofit homeless providers, victim service providers, faith-based organizations, governments, businesses, advocates, public housing agencies, school districts, social service providers, mental health agencies, hospitals, universities, affordable housing developers, law enforcement, organizations that serve veterans, and homeless and formerly homeless individuals;
- (2) Determining the geographic area that the Continuum of Care will serve;
- (3) Developing a Continuum of Care system;
- (4) Evaluating the outcomes of projects for which funds are awarded in the geographic area, including the Emergency Solutions Grants program;
- (5) Participating in the consolidated plan(s) of the jurisdiction(s) in the geographic area; and

(6) Preparing and submitting an application to HUD on behalf of the entire Continuum of Care membership, including conducting a sheltered and unsheltered point-in-time count and other data collection as required by HUD.

(c) *Monitoring costs.* The costs of monitoring recipients and subrecipients and enforcing compliance with program requirements are eligible.

IV. SUBMISSION

Submission will be managed via *E-snaps*.

The final application for CoC Planning Dollars will be submitted by the Collaborative Applicant after approval by the CoC Membership along with the Collaborative Application and related Project Applications as outlined by the NOFA.

V. DEADLINE

The application is due in *E-snaps* by **5 pm on Tuesday, August 14, 2018.**

A draft of the application will be available for public comment prior to approval at the September 6, 2018 Salt Lake City & County Continuum of Care membership meeting.

As established by the NOFA, September 18, 2018 is the final submission deadline for the CoC Collaborative Application and Priority Listing (which includes the CoC Planning Project Application).
