

## COLLECTIVE IMPACT ON HOMELESSNESS STEERING COMMITTEE OUTCOMES

### Outcomes for County Residents Experiencing or At Risk for Homelessness:

1. We recognize and meet the distinct needs of these at risk and homeless populations:
  - Families with children
  - Transitional-aged youth
  - Single men and women
  - Veterans
  - Domestic violence victims
  - Individuals with behavioral health disorders (including mental health and substance use disorders)
  - Individuals who are medically frail/terminally ill
  - Individuals exiting prison or jail
  - Unsheltered homeless
2. We successfully divert individuals and families from emergency shelter whenever possible.
3. We meet the basic needs of those in crisis.
4. We provide individuals and families with stabilization services when they need them.

### Outcomes for the County's Homeless Service and Housing Systems:

5. Salt Lake County's homelessness rates decrease over time.
6. Coordinated entry and a common, consistent assessment tool provide appropriate, timely access to services across the system. There is no 'wrong door.'
7. Individuals who are homeless have a relationship with a caseworker or similar individualized support.
8. Individuals who exit homelessness will be employed and/or have increased income/financial stability.

### Outcomes to Prevent Homelessness:

9. Salt Lake County's housing supply meets the demand and needs of all residents.
10. People have access to the specific services and supports they need to avoid homelessness.
11. Children, adolescents and adolescents transitioning to adulthood do not experience homelessness.
12. If individuals and families become homeless, we prevent it from happening again.

### Outcomes for Communities and Public Spaces:

13. Neighborhoods that host homeless service facilities are welcoming and safe for all who live, visit, work, recreate, receive services, or do business there.
14. Neighborhoods offering services also offer access to employment, job training, and positive activities during the day.
