Notice: Release of Part I of II Renewal Application for TH and PH Projects in the FY2018 HUD CoC Competition

I. OVERVIEW

Salt Lake County Government is the Collaborative Applicant for the Salt Lake City and County Continuum of Care funding application. In compliance with HUD requirements, the CoC intends to evaluate projects and make funding decisions based on HUD and local priorities and project performance. The Ranking Committee will review the performance of existing CoC renewal projects.

The CoC is beginning the renewal application in advance of the HUD CoC program NOFA to allow time for the Ranking Committee to make preliminary funding decisions. If the HUD CoC program NOFA details differing eligible activities, projects, applicants or other funding categories from those outlined in this notice the Continuum reserves the right to reissue this notice with revised instructions.

For the FY2018 HUD CoC grant competition, TH and PH renewal projects, are hereby notified that the project application will be a two-part process; Part I: Local Application and Part II: HUD (E-snaps) Application.

This notice contains an overview of Part I: Local Application for TH and PH renewal projects.

Projects selected from this round of review will be required to submit a more detailed application through HUD's E-snaps process

The initial dollar amount available is unknown as of the date of this notice. This dollar amount may be updated once the Notice of Funding Availability is released by HUD.

For updates and information about the CoC competition, please subscribe to the [HUD mailing list](#) for Continuum of Care Program updates, and check [this page](#) frequently.

II. ELIGIBLE APPLICANTS

Only Transitional Housing and Permanent Housing (Rapid Re-Housing or Permanent Supportive Housing) projects that were funded in the FY2017 CoC competition are eligible to apply at this stage in the application process. A separate process will be released for renewal HMIS projects, CoC Planning projects and applicants seeking NEW funding through the Continuum of Care.

III. APPLICATION PROCESS

The application process will be managed via ZoomGrants.

Our CoC will continue with a standard naming convention for project applications. As you create your renewal application, please follow this formula:
