2017 PREPAYMENT PROGRAM
Due: November 30, 2016

SLCo provides the option to prepay estimated current year property taxes in monthly installments, rather than paying the full amount in November. Sale or transfer of property ownership will require settlement of prepayments between seller and buyer at closing. **Prepayments will be applied to the current tax year only.**

The monthly payment amount is determined by dividing the 2016 tax amount into nine (9) equal payments made from January thru September. Payment may be made by ePay via electronic bank withdrawal or by paper with preprinted coupons and checks. The final payment can be made by the taxpayer or if using ePAY select "Final

Pay" and it will be made electronically. Any remaining balance due or overpayment will be reflected on the 2017 Tax Notice. All payments must be \$10 or more.

- **Apply on the back of this form**
- **Due Date: November 30, 2016**
