Every year Youth Services promotes a holiday donation drive in partnership with Salt Lake County and ShelterKids. Our official kickoff date is November 21 at 10am at the county government center located at 2001 State Street. You are welcome to join us. The donations we receive go directly to the youth and families we serve helping the abused, neglected and homeless teen population throughout the year.

Get Involved: Angel Trees are located there and throughout our county libraries. Select an ornament from a tree that lists a needed item for a youth. Drop off your donation at the gov center, Youth Services or at any county library. For more information call 385.468.4500. Or choose from a list of needed items below. Your generous donation is much appreciated!
