

Donate Your Furniture!

Why?

At the Salt Lake Valley Landfill we get an incredible amount of furniture in excellent condition that simply gets buried. We encourage you to consider donation before disposal at the landfill.

According to the EPA, in 2012 11.5 million tons of furniture were disposed!

In what condition should my furniture be in?

Most charities require your furniture to be in good shape. No damaged furniture, no rips or stains, and pet hair must be cleaned off,

Where?

Below is a small list of organizations that accept furniture donations. SLCo Recycling is not associated with any of the listed organizations, please follow the links for more information on the items they accept and in what condition. Those marked with an asterisk offer a pick-up service.
