

AM Jordan River Kayak Tour of Restoration Sites

Friday August 12th, 9:00-12:00 pm

Jordan River Kayak Tour of Restoration Sites
12300 South to 10000 South

Please bring your own water and snacks, and wear sun protection.

Single person kayaks & lifejackets will be provided.

Park in Jordan River Rotary Park parking lot at 12300 South and Jordan River

A van shuttle is provided to shuttle participants from the take-out (10000 South) back to parking lot (12300 South)

Must be 18 years or older

Field Trip Description: The group will kayak along the Jordan River accompanied by an experienced Salt Lake County Watershed Planner/Scientist from 12300 South to 10000 South. The trip leader will point out stretches of the River that have been restored to more natural conditions and how the River has benefitted from various restoration projects. Participants will also spot various wildlife and plant habitats.
