

**Salt Lake County Bicycle Advisory Committee
Executive Committee minutes from March 30, 2016**

Attending: K. Sturgeon, B. Byrne, D. Ward, I. Scharine

6pm- Meeting begins

Discussion of April nominations/elections for executive positions. K. Sturgeon will step down as chair in May and B. Byrne will assume chair position; vice-chair nominees will be asked for. Possible candidates include Aaron Searle and Reed Topham. I. Scharine would like to step down as secretary but will continue to serve if no one else wishes to be nominated for the position.

6:15- Some issues with members and interested participant's ability to attend regular meetings may be addressed if the meeting could be video streamed via website feed. The County will be approached concerning the possibility of assisting in this.

The Mayor's Ride to Work Day is in the planning stages and the benefits and issues with the plan to hold the ride in a more central part of the county was discussed. Among concerns are the ability for the community to participate if the route is a less known and distant one, the media's coverage of a new route, and which mayors will be able to participate (McAdams?, Biskupski?).

6:24- The future of the BAP was discussed and the necessary actions that the county and those placed in charge will have to take to maintain it. Additional discussions with County members will continue in the April meeting.

Agenda for the April meeting was discussed and agreed upon.

Attendance for the Pro Bike/Pro Walk/ Pro Place Conference in September will be discussed with only funding to send a single member available. At present the only two Board members expressing interest have been AJ Martine and Betsy Byrne.

6:40- Meeting Adjourns
