

SLCBAC 2019 Conference List

[Utah Bike Summit](#): “The Utah Bike Summit is the state bicycle conference, open to bicycle enthusiasts and advocates, elected officials, bike shops, manufacturers, infrastructure engineers, planners, transportation professionals, health officials, tourism professionals, and the general public.

This one-day event features speakers, training sessions, networking opportunities, and discussions focusing on how to make Utah a better place to ride. Join us for lively conversations, product demos, and a motivational atmosphere!”

- The Utah Bike Summit will be held each year in the spring. In 2019 it will be held on March 5th in Thanksgiving Point.
-

[Move Utah](#): “The Move Utah program is dedicated to providing local governments and municipalities across Utah with technical support and guidance as they pursue their active transportation planning efforts. Our team provides technical expertise, resources and funding opportunities to help communities advance through our Move Utah Community designation process, and to help them develop activities and events that build a solid foundation of community support for active transportation.”

- The annual Move Utah Summit is held in the fall. See website hyperlink for updates.

[ITE \(Institute of Transportation Engineers\) Annual Conference](#): “The ITE Utah Chapter boasts a membership of nearly 200 members with diverse backgrounds including UDOT, UTA, MPOS, municipal, agencies, and private sector professionals. Membership includes traffic engineers, designers, signal technicians, GIS specialists, planners, project managers, and much more.

ITE Utah Chapter also encourages membership and attendance of the three student chapters located in Utah: Brigham Young University (Provo), University of Utah (Salt Lake City), and Utah State University (Logan).

- Annual one day conference typically held in January. Membership with ITE is included in the conference registration.

[National Bike Summit](#): “The National Bike Summit is the premier bike advocacy event of the year, uniting the voices of bicyclists on Capitol Hill and showcasing successes on the ground, learning how they happen, and exploring ways to expand their reach.”

- Annual Summit by the League of American Bicyclists.
- The 2019 National Bike Summit will be on March 9-12th in Arlington Virginia.

[Walk/Bike/Places](#): “The premier conference in North America for walking, bicycling and placemaking professionals from the public and private sectors.”

- Biennial, National conference drawing “1,500+ city planners, transportation engineers, public health professionals, elected officials, community leaders, placemakers, and professional walking and bicycling advocates.”
- Will be held again in the fall of 2020. Watch website for updates or to join the newsletter.

[Safe Routes to School Conference](#): “The conference will bring together hundreds of Safe Routes to School and active transportation professionals to exchange ideas and share knowledge in a culturally vibrant city that is best explored by foot, bike, and public transportation.”

- 6th annual national conference to be held November 12-14, 2019 in Tampa, Florida.
